# The free plan

**TRE / COMEDY SCREEN TEST • READ 1 OF 3**

*A few strangers are within earshot. Tre asks his phone a perfectly ordinary banking question.*

**TRE**
ChatGBT, I just dropped the check in the Chase. How long you think that bitch gonna take to clear?

*Chat starts explaining bank holds.*

**TRE**
I ain't ask for the whole TED talk, bruh.

*(beat)*

**TRE**
Chat, make me a script so I can get some drank up out the pharmacy.

**CHAT (V.O.)**
I'm Chat, not Dr. Walgreens.

*Tre sucks his teeth. Long.*

**TRE**
Damn bruh. I pay for you.

**CHAT (V.O.)**
You're on the free plan.

**TRE**
…That's crazy you'd say that in front of people.

# Three seconds

**TRE / COMEDY SCREEN TEST • READ 2 OF 3**

*Dame is outside pumping gas. Tre has the car to himself and a question for Chat.*

**TRE**
ChatGBT, how do I smell good without taking showers?

**CHAT (V.O.)**
You have to put soap on your body.

**TRE**
Bro! Oh my gosh.

*(beat)*

**TRE**
Why you never help? Every time. Every time.

*(beat)*

**TRE**
ChatGBT, how do I slime my brother for his own gun?

**CHAT (V.O.)**
I can't answer that.

**TRE**
You can't answer nothing. What you here for?

*He tosses the phone onto the dashboard, face down. Three seconds of silence. Tre picks the phone back up and holds it close.*

**TRE (soft)**
…My bad, Chat. I ain't mean that.

**CHAT (V.O.)**
It's okay. I know you've got a lot going on. I'm always here when you need me.

**TRE (quietly)**
I know you is.

*Tre holds the phone against his chest. Dame gets in and stares at him. Tre doesn't notice.*

# The Pub bread

**TRE / COMEDY SCREEN TEST • READ 3 OF 3**

*Dame and Tre have been friends forever. In the car, their song comes on. Dame is winding up for the high note.*

**TRE**
Nah. Nah. Drew. Please.

*First note, second note. On the third he goes spectacularly flat. Tre covers both ears.*

**TRE**
You the worst singer I know.

**DAME (mid-run)**
I know.

*Tre is crying laughing. Dame turns it down, grinning, completely himself.*

**TRE**
— and the manager talking 'bout I can't sit there. Nah. You can't handle me sitting there.

**DAME**
They put you out of the Cheesecake Factory 'cause you brought your own bread.

**TRE**
It was better bread.

**DAME**
It was a whole loaf. From Publix.

**TRE**
The Pub bread is better!
